The New Orleans Police and Justice Foundation is dedicated to improving the criminal justice system in Orleans Parish through partnerships, with a special focus on the New Orleans Police Department. The Foundation supports the quality of life and professional growth of those courageous men and women who have sworn to defend our community and secure justice through the rule of law. Post-Katrina, the Foundation has emphasized three specific areas; retaining valuable human capital, restoring critical infrastructure and improving the operational effectiveness and efficiency of the Orleans Parish Criminal Justice System. The fundamental goal of the Foundation is to make New Orleans a safer place to live, work and visit.
